

*Happy Birthday
Little Fishies*

10 March 2020

*One would think that You'd be Gemini,
But they're not until May.*

*Still, these little fish look like twins,
So I guess that that's OK.*

*Enjoy your birthday -- have a ball,
Now that you are seven.*

*You are such big good looking boys,
Life must seem like heaven.*

*Love,
Ole Dan
(Your Grandpa)*
