

Happy St Patrick's Day

17 March 2021

*St. Patrick's patron saint of Eire
And Boston's patron saint as well.*

*We ask his blessing and his care.
The virus plague at last to quell.*

*Vaccines for seniors now on hand,
Will start the rolling of the ball.*

*And then for sure we'll all be grand,
To see the lifting of the pall.*

*Enjoy the day,
Love,
Ole Dan*
